

**Case Manager Position
Georgia Tech Counseling Center
Atlanta, Georgia**

The Georgia Tech Counseling Center invites applications for a new, full-time (12-month) case manager position to coordinate client referrals from the Counseling Center (80%) and the Psychiatry Clinic (20%) to community mental health providers and to coordinate students' transition back to Tech. In addition, would provide additional clinical services by providing limited counseling sessions to bridge students to outside services. The Counseling Center provides individual, group, and couples counseling as well as outreach and consultation to the Georgia Tech campus. The Center is staffed by licensed psychologists and counselors. The Center serves as a pre-doctoral internship and practicum training site for graduate students in counseling and psychology. The Center is accredited by the International Association of Counseling Services (IACS). The internship program is accredited by the American Psychological Association (APA) and a member of the Association of Postdoctoral and Psychology Internship Centers (APPIC).

The Counseling Center is a department within the Division of Student Affairs. The Division of Student Affairs is committed to effective, meaningful assessment of all programs and services. The position will be responsible and held accountable for the gathering, interpreting and analyzing of data for the purpose of continuous improvement.

Qualifications:

1. Masters degree in either social work, counseling or clinical psychology.
2. Currently licensed or licensed within one (1) year of hire in the state of Georgia as a professional counselor (LPC) or clinical social worker (LCSW).
3. At least 3 years of previous experience in college/university counseling center setting.
4. Ability to work collaboratively with others and with other departments within the Division of Student Affairs as well as other campus/academic departments.
5. Demonstrated cultural competence in working with a diverse student population (e.g., race/ethnicity, gender, sexual orientation, physical ability).
6. Possess strong organizational skills.

Responsibilities:

1. Coordinate client referrals to community resources and coordinate transition for returning students.
2. Provide initial screenings/intakes, provide short-term individual counseling. May also provide group, and couples counseling.
3. Establish liaisons with various campus organizations/groups and assist with referral database.
4. Provide crisis intervention and after-hours emergency on-call coverage.
5. Provide outreach and consultation to campus community.
6. May provide supervision and training for graduate practicum students and pre-doctoral interns.
7. Other duties as assigned.

Division of Student Affairs
