Position Information

Position Title: Staff Therapist

Institution: Drexel University

Department: Counseling & Health

Position Description: This is a 12 month Counseling Center Staff position. This position will provide direct client care to students at Drexel University, a large (25,000 pop) private institution located in Philadelphia, PA. This person will also engage in consultation services; provide supervision of pre-doctoral interns and/or practicum students, share on-call responsibilities with full time staff; and, participate in general Student Affairs functions as a member of an Office within the Division of Student Affairs.

Salary: \$60,000

Start Date: 8/22/15

Qualifications: A Ph.D. or Psy.D. in Clinical or Counseling Psychology. PA Licensed or license eligible within probationary period. If not licensed in PA, proof of passing EPPP exam. Two years of post-degree experience providing personal counseling, crisis intervention, assessment and consultation to late adolescent/early adult population or undergraduate and graduate students in a college or university setting (internship acceptable) preferred. Eating Disorder experience preferred. Multicultural sensitivity and an understanding of the needs of non-traditional students a must. Excellent counseling, crisis intervention and communication skills required; must have good organizational and computer skills.

Institution Description: Drexel is a comprehensive global research university ranked among the top 100 in the nation. With approximately 26,000 students, Drexel is one of America's 15 largest private universities. Drexel has one of the nation's oldest, largest, and best-known cooperative education programs. Most undergraduates alternate classroom study with up to three periods of full-time, paid employment in their field. There are approximately 200 degree programs in 15 colleges and schools.

Region Description: Drexel University's lively urban campus is located in one of America's most exciting cities: Philadelphia. In a world-class city for business, art, and education, Philadelphia's skyscrapers are coupled with a blend of distinct and culturally diverse neighborhoods, creating a unique metropolitan yet intimate urban experience.

Surrounded by tree-lined residential blocks just minutes away from Philadelphia's downtown Center City district, Drexel makes its home in the neighborhood of University City. Comprised of five additional
