

Position Title

Psychology Fellow at Wichita State University Counseling & Testing Center

Salary

\$31,000

Position Description

This full time, 12 month position reports to the Training Coordinator of the Counseling & Testing Center at Wichita State University. Primary responsibilities include provision of individual, group, and couples counseling for students, faculty, and staff, crisis intervention services, clinical supervision, outreach programming, and consultation/liaison. Wichita State University is an Equal Opportunity/Affirmative Action Employer.

Minimum Qualifications

1. Completion of all coursework in a doctoral program in Clinical or Counseling Psychology.
2. Completion of or current enrollment in an APPIC or APA accredited internship program.
3. Successful experience working with diverse populations.
4. Demonstrated experience in the provision of mental health services for a wide range of presenting concerns.
5. Commitment to promoting and enhancing diversity.
6. Strong verbal communications skills.
7. Strong written communication skills.
8. Demonstrated strength as a presenter and provider of outreach programming.
9. Eligible for licensure in the State of Kansas as a Temporary Licensed Psychologist.

Desired Qualifications

1. Completion of a doctoral degree in Counseling or Clinical Psychology by September 1, 2015.
2. Completion of an APA accredited internship by September 1, 2015.
3. Previous experience providing mental health services in a college/university counseling center.
4. Experience providing clinical supervision.

University Description

Wichita State University is located within the state's largest metropolitan area with an enrollment of 15,000 students. WSU is a growing and vibrant university with many exciting initiatives happening, including new residence halls, expanded student union, and a new Innovations Campus.

Region Description

Recently named a Top 10 Best Place to live by Money Magazine, Wichita provides a high quality of life with short work commutes, and an affordable lifestyle. As the largest city in Kansas, Wichita is diverse, with a wide variety of cultural and recreational activities (www.gowichita.com, www.wichita.gov, www.thecityofwichita.com) including an award winning zoo, a nationally recognized Music Theater program, a variety of outdoor sports opportunities. The University is an integral part of the community and sees itself as a community partner in economic and civic development.
